DID YOU KNOW?

The world's largest Easter egg was made in 2011 in Italy. It stood at over 10 metres tall and weighed over 7,200 kilograms.

While carrots have become associated with bunnies, historically, rabbits' favourite foods are actually green leafy vegetables and herbs.

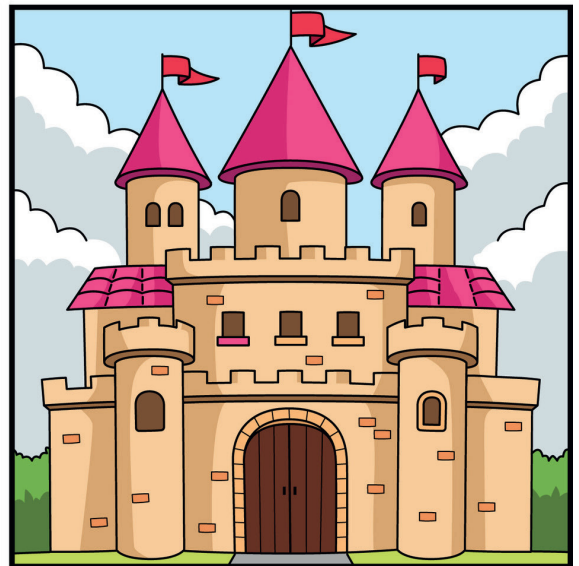

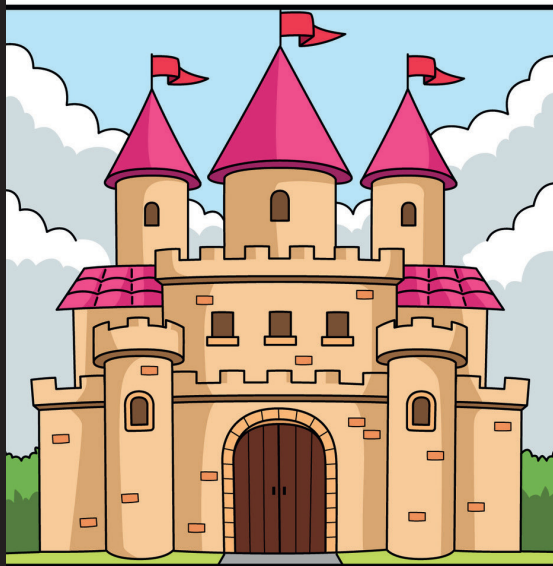

The association with carrots likely comes from Bugs Bunny cartoons.

A group of baby rabbits is called a "kindle."

The myth that carrots help you see in the dark was actually popularised by the British Royal Air Force during World War II to explain their pilots' improved night vision due to radar technology.
